To all clubs in Cumbria League
Cc W.Mounsey
F.Shepherd

Dear colleagues

Due to the disappointing attendance at the meeting in Cockermouth on 21 July this letter is to inform clubs of the competition rules which will be in place for season 2006/7 as they apply to Cumbria League clubs.

- (i) Results of games to be phoned through to me by 5.30 pm on the day of the game by BOTH clubs
- (ii) If a game is postponed for whatever reason, both sides to advise me of this, as soon as possible
- (iii) Match Card should show:
 - urnames and initials of all players and substitutes. Only 2 unregistered players per match
 - date of birth of all unregistered players who, incidently, are only allowed two games before being registered
 - front row replacements by having the letters 'F R' after their names.
- (iv) If a club, for its own internal reasons e.g. a wedding etc. wishes to make a non league Saturday unavailable for postponed league games then it must request for this to be done, through myself, at least 8 weeks before the day in question. Designating a Saturday unavailable for a league game only applies to already postponed league matches. However, a club can bring forward a league game to an earlier, non league, Saturday by agreement with the opposing club, after advising the league secretary of the same. In the early part of the season, clubs knocked out of the RFU cup will have several free Saturdays.
- (v) "Trafalgar". By now, most of you will be aware of moves afoot to computerise the registration of players. Until this is finally sorted and tested, the current system will continue with Bob Archer as Registrar for the north.

If anyone has any queries about the coming season, don't hesitate to give me a ring on 01925755584 or 07971582673

Regards
